

## About us

Meden-Inmed was founded in 1989 as a company employing two people. Since then, it has gained a strong market position through our hard work and reliability. Initially a small distributor of a few renowned manufacturers, now a dynamic medium-size company with over 180 employees - professionals in the fields of electronics, mechanics, economy, sales and marketing. Over 90% of them have master's degrees. Company, manufacturing high-quality medical and rehabilitation equipment as well as equipment for Wellness centers. Modern medicine combines specialized knowledge with state-of-the-art technology. We knew that when we started our own production plant in 1996 and are even more convinced about it now, when we create new products and widen our offer of medical devices. We make sure they are modern, efficient, comfortable and user friendly. We are always happy to see new ideas turn into new products.

Every product we have sold proves the trust our customers have placed in us. Behind every device we deliver is a long-term relationship. Our customers consciously select a supplier that not only delivers the equipment, but can also guarantee quality and professional service. It has always been our duty and our motto. To address the growing needs of our customers we have now expanded the range of our products. Our goal is to deliver you a complete range of equipment required by professionals in the fields of rehabilitation, SPA. We also offer OEM, subcontracting and outsourcing production services of mechanical or electronic devices. We will help you choose the best equipment that is tailored to your needs. See our products.
